Student & Parent/Guardian AE Agreement, Medical & Media Release

I give my permission for my child to participate in any and all activities during Arts Explosion. I understand that my child will be expected to observe the program's rules. I have read the information below and reviewed it with my child.

In accepting the invitation to attend Arts Explosion, the student understands and agrees to the following policy:

- **Be on time**
- **Be RESPECTFUL** to all students and teachers. Poor behavior or bullying will not be tolerated and may lead to dismissal from class.
- **No electronic devices or cell phones** can be used during classes unless the teacher approves. If your child brings a phone, the phone is the student's sole responsibility. It cannot disrupt the class (if taken up, the student will receive them at the end of the day).
- **Stay with the group.** Take breaks in the designated area and return to the classroom on time.
- The student should attend with the **positive attitude of one willing to learn and participate** in new experiences. The student can expect to have fun and make new friends. AND create ART!
- **No food & open drinks** during class time. **Bottled water will be allowed** - please label it with the child's name.
- **Students may NOT have guests** visit during Arts Explosion. All classes are closed unless an event is announced as "open to the public."

AGREEMENT: I will not hold Arts Explosion, Chisholm Trail Arts Council, or any staff member from these organizations responsible for accidents incurred during Arts Explosion. I understand that every reasonable precaution is taken for the safety of the students. I will also be financially responsible for any deliberate damages to property resulting from my child's actions.
